Welcome back to the start of a new term. This term the children will be studying food. The older children will be involved in Junior Master Chef. We are eagerly looking forward to tasting their magnificent cooking.

The school will be working with John Bradford from the Upper Deep Creek Landcare Network. In line with this association we will be having a visit from the Wild Action Zoo on Wednesday April 24 at 9.30am. There will be no cost for this activity. The school would like to invite preschool students to join us on this day. Please pass the word.

TRANSITION
Some students and a teacher from the Wallan Secondary College will be attending our school this Friday to talk to our older students about their school. On Tuesday 30th April the Gisborne Secondary College will be having an information evening at Gisborne.
