School Nurse

Next Monday Trina Douglas our school nurse will be visiting the school to conduct prep assessments. It is important that all forms are returned to school by Monday. Other students can be checked on parent request. Forms are available from the office.

Hats

Our school is a Sunsmart school. All children must wear an approved hat. We do not like to sit children out at play time. Unfortunately we cannot lend hats to children.

School Council vacancy

There is still one vacancy on our School Council. Being a councillor can be very rewarding. It provides you with a greater knowledge of the school. We would warmly welcome a new councillor. Information is available from the office.

Hot Weather

We have had some extremely warm days at school. Children are encouraged to bring water bottles to school. Please ensure that your children are wearing sensible clothing. Jumpers and hot days do not mix.

Reading At Home

It is great to see that most children read at home. You can help the teachers by regularly listening to your child read and even read to your child. When you do please sign inside the diary or even better write a comment.

Chitty, Chitty, Bang, Bang.

Our excursion to Chitty Chitty Bang Bang on March 13 is quickly approaching. Notes will be sent home next week.

Essendon Footballers

Last Tuesday two players, Elliot Kavanagh and Lauchlan Dalgleish from the Essendon Football Club visited our school. The players spoke to the children about their sporting journeys and what they plan to do after football. The highlight of the visit was having a kick to kick on the oval. It is fun meeting the players and we wish them all the best for the coming season.
