QUOTE OF THE WEEK
Reading through the newspaper I discovered an interesting quote from Henry Ford. You need to think big to achieve more.

“There is no man living that cannot do more than he thinks he can.”
Henry Ford

It was the day when the zoo came to us and Chris Humphrey came. He brought in a koala and a possum and a waterdragon. He also had a lizard, a lauraceet, two frogs, a dunnart, a night gar, a long neck turtle, a fruit bat and an owl. Now I want to be a zoo keeper!!

ABSENTEEISM
This year the school has experienced a higher than normal rate of absenteeism. It is important that the school is informed when a child is away. Do not be embarrassed if the school contacts you requesting a note to explain non attendance.

It is not ok to be away (please read attached DEECD brochure). Children do need to be at school.

This is the rainbow bird Chris put on my head. It was so noisy that we had to put it in to the office until it was his turn.

This is Bruce, a cute little koala. He is so cute and is only three years old.

Wild action zoo came to us and bought a whole lot of different animals. The guy that came was Chris Humphrey. The animals that came were some lizards, some owls, a bat, two frogs, a kookaburra, a rainbow lorikeet and a dunnart. I think it was a great experience.
